

INVITATION TO BID

INVITATION TO BID UPCOMING PIPELINE PROJECT: STANCE AVENUE MAIN REPLACEMENT CWO 04-25 SOQUEL, CA

PROJECT DESCRIPTION:

The work will consist of installing 1,075 LF \pm of 6-inch PVC C900 Class 200 water main, 10 standard service replacements, 1 2-inch combined/fire domestic service replacement, 3 customer side plumbing reconnections, 2 2-inch combined/fire domestic service installations, 1 chlorination tap, 1 temporary blow-off assembly, 1 new James Jones J-3740 hydrant installation, 2 tie-ins to existing mains, and 4,200 SF of type II slurry seal.

The property owners on Stance Avenue are in the process of re-building the road. The new alignment may result in up to 3 feet of cut being removed from a portion of the road. Contractors are advised that shoring or laying back of the trench sides may be required along that portion of the project site. Paving will not be required on Stance Avenue. The new water main trench shall be backfilled with sand, covered with base rock and cold mix.

Work is located in Soquel, CA
