

INVITATION TO BID

INVITATION TO BID UPCOMING PROJECT:

T. Hopkins Arsenic Removal Treatment System Installation And Building Modifications

CWO 04-30
APTOS, CA

PROJECT DESCRIPTION:

The project involves installation of an arsenic treatment system within an existing building known as the T. Hopkins Well and Pump Station, located along Aptos Creek Road in Aptos, California. The treatment system will require construction of one (1) new interior containment wall within an existing building, pump, solution line, two (2) new chemical holding tanks, and providing electrical power from an existing panel.

ENGINEER'S ESTIMATE: \$30,000.00
