

INVITATION TO BID

INVITATION TO BID UPCOMING PROJECT:

Larkin Valley Tank Recoat Watsonville, CA CWO 08-014

PROJECT DESCRIPTION:

Work will consist of recoating the interior and exterior of the Larkin Valley Tank; a 400,000 gallon potable water storage reservoir. The tank exterior is to be pressure washed and degreased prior to overcoating with a moisture-cured urethane system and anti-graffiti coating. The tank interior shall have all existing interior coating removed prior to repainting the reservoir interior shell, floor, ladder, overflow, ceiling, roof drain piping, and other miscellaneous steel on the interior with an epoxy coating system, in three coats. The District requires a full prime coat over the entire tank interior.

Work is located in Watsonville, CA.

ENGINEER'S ESTIMATE: \$230,000

BID OPENING: October 29, 2008 @ 2 PM
