

# Free Water Education Assembly Shows

Sponsored by  SOQUEL CREEK  
WATER DISTRICT

Your school may sign up for one FREE assembly show for the school year. There is limited availability. Shows are booked on a first come, first served basis. Each show is approximately 45 minutes long, can accommodate up to 350 students and is accessible to grades K-5 but content targets upper elementary standards. Call Soquel Creek Water District for more information 831-475-8501 ext. 142.

## Choose one and fax

### ZunZun's water assembly

Fax form to (831) 426-0634

ZunZun's musical water shows highlight the connections of their audience to their watershed. Performers play a variety of instruments (many of Latin American origin) and encourage audience participation. Songs are about water conservation, groundwater, watersheds, water pollution and natural history of aquatic creatures. [www.zunzuntunes.com](http://www.zunzuntunes.com)

### EarthCapades' H2O Show

Fax form to (888) 235-7124

This environmental vaudeville show teaches water science, ecology, and conservation through humor, juggling, stilt walking, audience participation and magic. Students learn practical steps they can take to conserve Planet Earth's most precious natural resource, WATER. [www.EarthCapades.com](http://www.EarthCapades.com)
