

Application for Public/Customer Member for Soquel Creek Water District Standing Committee

Standing committees play an important role in our organization by assisting and/or advising the Board in formulating and implementing policy, developing recommendations, and providing oversight and transparency in the District's business practices. The Board currently has three standing committees that typically meet bi-monthly or quarterly. Beginning in 2018, the District Standing Committees shall be comprised of two Board members and two public members. Additional public members may be part of a Committee if approved by the Board.

***Public members must be a customer of Soquel Creek Water District.
Please return completed form by April 30, 2018.***
