DRAFT Mission Statement for the District's Water Resource Management & Infrastructure Committee:

On behalf of the Soquel Creek Water District (SqCWD) Board of Directors, the Water Resources Management and Infrastructure (WRMI) Committee promotes and provides education and inspiration for water resources and infrastructure to help SqCWD's mission of providing safe high quality and sustainable water supply.

To fulfill its mission, the WRMI Committee will:

- Monitor new trends, projects, technologies, legislative, regulatory and policy developments impacting infrastructure and water resource management to benefit SqCWD.
- Serve as District liaisons to share information and help educate the community on water management issues and opportunities.
- Remain up-to-date on SqCWD's existing and future water infrastructure projects to understand and offer ideas, suggestions, recommendations, and feedback.
