Written correspondence received after 9:00 am on the Monday immediately preceding a Board Meeting may not have time to reach Board members, nor be read by them prior to consideration of an item. Note that due to holidays and other factors there may be times when even the above time submittal suggestion is not adequate.

Additional information provided to the Board after preparation of the Board Packet but prior to the meeting will be made available to the public at the District office.

Please observe the following procedures for addressing the Board:

Oral Comments: Those wishing to speak on an item should come to the podium and be recognized by the Board President during the portion of the proceedings set aside for public comment. The maximum time set aside for public comment will be set at 15 minutes. Speakers must address the entire Board and will not be permitted to engage in dialogue. Each speaker will be limited to a single presentation of up to (3) three minutes (time limits may be increased or decreased at the Board President's discretion). For agendized items, after speakers have addressed the Board, the Board will deliberate and take action. Additional public comment will not be allowed during the Board's deliberation unless the President specifically calls on someone in the audience.

Organized groups wishing to make a presentation are asked to contact the Board Clerk prior to the Board Meeting.
