Commercial Urinal Rebate Application: Rebate Program Rules & Requirements

1. Rebate application must be submitted within 90 days of item(s) purchase. An original, dated sales receipt showing itemized cost for the rebated item(s) must be provided. If you need the original receipt(s) returned, please enclose a self-addressed, stamped envelope with your rebate application. For online purchases, a print out of the final invoice and an original packing or delivery slip is required.
2. All rebate applications must be signed by the legal property owner.
3. To qualify for a commercial urinal rebate, applicant must be replacing a urinal that uses 1.0 gallons per flush (**gpf**) or more with an EPA WaterSense-approved urinal that also uses **0.125 gpf** or less, or a waterless urinal. **EPA WaterSense-approved urinals that use 0.5 gpf do not qualify for the rebate.**
4. Rebate-eligible parts include the urinal bowl and valve. No rebate will exceed the purchase price of the item(s). Sales tax and labor charges are not rebated.
5. The number of urinal rebates is limited to the number of qualifying urinals at the business.
6. Participants agree to recycle their old urinal(s). Customers may recycle their old urinal(s) at the Buena Vista Landfill in Watsonville for a small fee. All hardware must be removed prior to drop off.
7. The rebated equipment must be installed at an existing Soquel Creek Water District (**SqCWD**) service address and must be installed prior to rebate request. New development is not eligible for rebates.
8. Rebates are applied as a credit that will appear on a subsequent water bill (see exception below). The account must be in good standing to receive a credit. Upon closing an account, any rebate credit balance will be mailed to the account holder. Allow four weeks from the date of rebate approval for credit processing.
9. You will be issued a check in lieu of a credit if you are the legal property owner (but not the account holder) and you purchased the rebated item(s) for your rental property.
10. Installation of any rebated device, appliance or fixture is the sole responsibility of the applicant, as is determination of the adequacy and compatibility of the existing plumbing system.
11. SqCWD does not endorse specific brands, products or dealers; nor does it guarantee materials or workmanship; acceptance of such is customer's responsibility.
12. SqCWD assumes no responsibility or liability for any damage that may occur to an applicant's property as a result of participation in this program. Due to circumstances beyond its control, SqCWD cannot guarantee that installation of rebated fixtures or measures will result in lower utility costs.
13. The IRS requires all rebate program participants receiving \$600 or more per calendar year in rebates to be issued an IRS Form 1099 unless exemptions apply. If you have received rebates from SqCWD totaling \$600 or more in the current calendar year, you must submit a completed IRS W-9 Form (link to the W-9 form pdf) with your rebate application to receive a rebate. The Social Security or Tax ID number requested in the rebate application process is in compliance with exemptions to the Federal Privacy Act of 1974, 42 UCS 405 (c)(2) (c). Social Security numbers provided as part of the application process are held in confidence under terms of the Privacy Act and are not divulged or otherwise conveyed to individuals or organizations outside the SqCWD Rebate Program. SqCWD may at any time, modify, suspend, or terminate this program without prior written notice.
14. A SqCWD representative must be permitted to inspect the property to verify installation and proper construction if requested.
