# Hot Water Recirculation System Rebate Application

## Self-Activated Hot Water Recirculation Systems

Soquel Creek Water District (**SqCWD**) offers rebates to customers for self-activated or on-demand hot water recirculation systems only. **\*Timer-controlled and thermostat-controlled systems are not rebated.**

A hot water recirculation system works in conjunction with existing hot water plumbing to provide hot water quickly to plumbing fixtures. Unheated water left in the plumbing line is recirculated back to the hot water heater as opposed to running down the drain, thereby saving water. Please see our website at [www.soquelcreekwater.org](http://www.soquelcreekwater.org) for more information on our self-activated hot water recirculation system rebate or call (831) 475-8500 for assistance.

**Please read the Rebate Program Requirements on the backside of this Application. All rebate applications require the signature of the property owner (if different than the applicant).**

Indicate the manufacturer name and model of the self-activated hot water recirculation system and the purchase price (excluding sales tax and labor).

## Hot Water Recirculation System Rebate Application: Rules & Requirements

1. Rebate application must be submitted within 90 days of item(s) purchase. An original, dated sales receipt must have itemized cost, form of payment and name of vendor. If you need the original receipt(s) returned, please enclose a self-addressed, stamped envelope with your rebate application. For online purchases, a print out of the final invoice and an original packing or delivery slip is required. Purchases of used items do not qualify for rebate.
2. All rebate applications must be signed by the legal property owner.
3. To qualify for a hot water recirculation system rebate, the system must be self-activated (i.e. activated by a button, switch, or wireless remote). **Timer-controlled and thermostat-controlled hot water recirculation systems do not qualify for the rebate.**
4. No rebate will exceed the purchase price of the item(s). Sales tax and labor are not rebated.
5. The rebated equipment must be installed at an existing Soquel Creek Water District (**SqCWD**) service address and must be installed prior to rebate request. New development is not eligible for rebates.
6. Rebates are applied as a credit that will appear on a subsequent water bill (see exceptions below). The account must be in good standing to receive a credit. Upon closing an account, any rebate credit balance will be mailed to the account holder. Allow four weeks from the date of rebate approval for credit processing.
7. You will be issued a check in lieu of a credit if: (1) your SqCWD water service is in the name of your Home Owner's Association or Condominium Board and you are the legal property owner of your dwelling unit; or (2) you are the legal property owner (but not the account holder) and you purchased the rebated item(s) for your rental property.
8. Installation of any rebated device, appliance or fixture is the sole responsibility of the applicant, as is determination of the adequacy and compatibility of the existing plumbing system.
9. The applicant is solely responsible for the proper disposal of all materials associated with the installation of rebated fixtures and equipment and the SqCWD assumes no responsibility or liability. Please recycle materials.
10. SqCWD does not endorse specific brands, products or dealers; nor does it guarantee materials or workmanship; acceptance of such is customer's responsibility.
11. SqCWD assumes no responsibility or liability for any damage that may occur to an applicant's property as a result of participation in this program. Due to circumstances beyond its control, SqCWD cannot guarantee that installation of rebated fixtures or measures will result in lower utility costs.
12. The IRS requires all rebate program participants receiving \$600 or more per calendar year in rebates to be issued an IRS Form 1099 unless exemptions apply. If you have received rebates from SqCWD totaling \$600 or more in the current calendar year, you must submit a completed IRS W-9 form (see our website for a copy of this form) with your rebate application to receive a rebate. The Social Security or Tax ID number requested in the rebate application process is in compliance with exemptions to the Federal Privacy Act of 1974, 42 UCS 405(c)(2)(c). Social Security numbers provided as part of the application process are held in confidence under terms of the Privacy Act and are not divulged or otherwise conveyed to individuals or organizations outside the SqCWD Rebate Program.
13. SqCWD may at any time, modify, suspend, or terminate this program without prior written notice.
14. A SqCWD representative must be permitted to inspect the property to verify installation and proper construction if requested.
15. Incomplete or illegible applications will be denied.
