Pool Covers

Soquel Creek Water District (SqCWD) offers rebates to customers who purchase and install a pool cover for their pool. Pool covers can significantly reduce water loss due to evaporation, reducing the amount of make-up water you need to add to your pool. Additionally, pool covers can reduce chemical costs and the amount of time and/or money spent on cleaning the pool. If you have a heated pool, a cover is essential to retain heat, minimize evaporation, and lower your energy costs. The rebate applies to both manual and automatic pool covers. Please see our website at www.soquelcreekwater.org for more information on our pool cover rebate or call (831) 475-8500 for assistance.

**This rebate requires a post-installation inspection by SqCWD personnel.** Please read the Rebate Program Requirements on the backside of this Application. All rebate applications require the signature of the property owner (if different than the applicant).

Indicate the manufacturer name and model of the pool cover and the purchase price (excluding sales tax and labor). Complete the Account & Applicant Information below.

**Complete both sides of application.**

See other side for rebate program rules, requirements and signature.
Pool Cover Rebate Application: Rules & Requirements

1. Rebate application must be submitted within 90 days of item(s) purchase. An original, dated sales receipt must have itemized cost, form of payment and name of vendor. If you need the original receipt(s) returned, please enclose a self-addressed, stamped envelope with your rebate application. For online purchases, a print out of the final invoice and an original packing or delivery slip is required. Purchases of used items do not qualify for rebate.

2. All rebate applications must be signed by the legal property owner.

3. The maximum number of pool cover rebates is one per pool.

4. To achieve the maximum water-saving benefit, the pool cover must be used at all times except for when the pool is in use or is being cleaned or maintained.

5. No rebate will exceed the purchase price of the item. Sales tax and labor are not rebated.

6. The rebated equipment must be installed at an existing Soquel Creek Water District (SqCWD) service address and must be installed prior to rebate request. New development is not eligible for rebates.

7. Rebates are applied as a credit that will appear on a subsequent water bill (see exceptions below). The account must be in good standing to receive a credit. Upon closing an account, any rebate credit balance will be mailed to the account holder. Allow four weeks from the date of rebate approval for credit processing.

8. You will be issued a check in lieu of a credit if: (1) your SqCWD water service is in the name of your Home Owner’s Association or Condominium Board and you are the legal property owner of your dwelling unit; (2) you are the legal property owner (but not the account holder) and you purchased the rebated item(s) for your rental property; or (3) you are the tenant of a rental property but are not the account holder.

9. Installation of any rebated device, appliance or fixture is the sole responsibility of the applicant, as is determination of the adequacy and compatibility of the existing plumbing system.

10. The applicant is solely responsible for the proper disposal of all materials associated with the installation of rebated fixtures and equipment and the SqCWD assumes no responsibility or liability. Please recycle materials.

11. SqCWD does not endorse specific brands, products or dealers; nor does it guarantee materials or workmanship; acceptance of such is customer’s responsibility.

12. SqCWD assumes no responsibility or liability for any damage that may occur to an applicant’s property as a result of participation in this program. Due to circumstances beyond its control, SqCWD cannot guarantee that installation of rebated fixtures or measures will result in lower utility costs.

13. The IRS requires all rebate program participants receiving $600 or more per calendar year in rebates to be issued an IRS Form 1099 unless exemptions apply. If you have received rebates from SqCWD totaling $600 or more in the current calendar year, you must submit a completed IRS W-9 form (see our website for a copy of this form) with your rebate application to receive a rebate. The Social Security or Tax ID number requested in the rebate application process is in compliance with exemptions to the Federal Privacy Act of 1974, 42 UCS 405(c)(2)(c). Social Security numbers provided as part of the application process are held in confidence under terms of the Privacy Act and are not divulged or otherwise conveyed to individuals or organizations outside the SqCWD Rebate Program.

14. SqCWD may at any time, modify, suspend, or terminate this program without prior written notice.

15. Incomplete or illegible applications will be denied.

I have read, understand, and agree to the Rebate Program Rules & Requirements as stated above.
